DESCRIPTION

2020 Tesla Model 3 Standard Range Plus

2020 Tesla Model 3 Standard Range Plus The 2020 Tesla Model 3 Standard Range Plus is a fully electric sedan that combines cutting-edge technology, impressive efficiency, and engaging performance. Designed for modern drivers, it delivers a premium driving experience with zero emissions, quick acceleration, and Tesla's signature minimalist design. Under the hood, the Model 3 is powered by an electric motor paired with a single-speed transmission, delivering instant torque and smooth, responsive acceleration. With rear-wheel drive and balanced handling, it offers a refined and confident driving experience for both city and highway use. This particular vehicle stands out with a significant upgrade- the high-voltage battery has been replaced by Tesla with a Mid Range battery, offering extended driving capability. At the time of inspection, the vehicle displayed close to 500 km of range, pr...
