DESCRIPTION

2021 Hyundai Elantra Preferred IVT

The 2021 Hyundai Elantra Preferred trim offers an excellent balance of modern styling, advanced technology, and efficient performance. With its sleek design, cutting-edge features, and comfortable interior, the Elantra Preferred is an attractive choice for drivers looking for an affordable yet feature-packed compact sedan. Engine and Performance: The 2021 Elantra Preferred is powered by a 2.0L 4-cylinder engine that produces 147 horsepower and 132 lb-ft of torque. It is paired with Hyundai's Intelligent Variable Transmission (IVT), which delivers smooth and efficient gear shifts, contributing to its impressive fuel economy of approximately 7.1 L/100 km (combined city/highway). The front-wheel-drive setup provides a responsive and agile driving experience, making it ideal for city commuting and highway cruising. Modern Design: The Elantra features a bold and modern exterior with sharp ...
